

# Remember the last time you had a slicing problem? Who'd you call?

You've known our founder for 52 years. You've known our company for over 30 years. We've worked hand in hand with you providing solutions for a wide variety of slicing requirements. Whether it was a new product that required a unique approach, or a slicing issue that suddenly arose, you called on our experience, and we thank you.

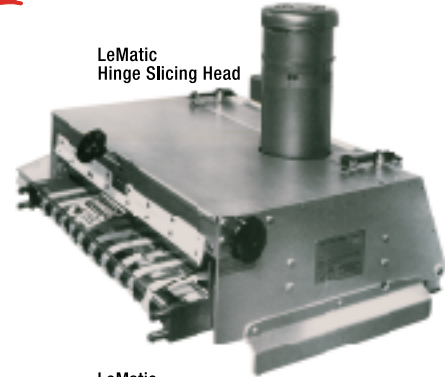

**LeMatic slicing equipment—  
designed to perform,  
backed by experience.**

Solutions for the Baking Industry Since 1973
