

LeMatic Service

Have Buns? We'll Travel.

Your investment in LeMatic equipment is just the start of your relationship with us. Our experienced and knowledgeable technicians and engineers are available for the life of your equipment. From troubleshooting to updating, count on LeMatic to be there – any time, anywhere.

Always the Sharpest Blade in the Box.

Bakeries that demand optimum slicing performance have turned to Lematic's craftsmen for blade replacement and sharpening services for over 30 years. LeMatic maintains an entire department dedicated to blade services. Whether you are looking for hard-to-find replacement blades or need to set up a Blade Maintenance Program, call LeMatic. We'll keep you on the cutting edge.

Designed to Perform. Backed by Service.
